Dave:

The AA County paper shows that Monet Lea was making \$10,000 extra dollars than me when she was here and was doing the same work. It did not show up that she had her license either in Maryland. Also, it shows that Sarah is making almost \$16,000 than me and doing the same work as me. It shows she has a PE license though. Can a desk audit be performed for the type of work that I am doing being both Engineering/Utility Reviews and Traffic/ADA Reviews?
